2016 Air Mon Network Review Draft.pdf

Hi Scott,

Attached is Michigan's 2016 Annual Ambient Air Monitoring Network Review. Please let me know of any comments and suggestions that you have. This year I added a Summary of Waivers on page 79. Please take a close look at this and let me know if you think I missed any waivers. The last line is about a tree waiver for the Dearborn site. I will submit the official waiver request for that next week.

If you have any questions, let me know.

Thanks,

Amy
